

CLAUSE H-12 – HOLIDAYS (August 2002)

Jefferson Lab normally observes 11 days designated as SURA/Jefferson Lab holidays, and during the period between Christmas Eve and New Year's Day Jefferson Lab normally is closed. In addition, Laboratory management may close the Laboratory or modify operating hours at its discretion due to weather or other emergency. All subcontractor personnel will follow the holiday and closure schedule posted by SURA/Jefferson Lab in December of each year at www.jlab.org/hr under HR Publications.

*Subcontractor may, upon prior agreement with the SURA Subcontracting Officer or designated representative, perform work on a **holiday or closure day** at Jefferson Lab.*

- ☐/ No items shipped under this subcontract will be received on holiday or closure days.
- ☐/ Items delivered under this subcontract will be received on holiday or closure days except on weather or other emergency closure days.
- ☐/ The subcontractor will not normally be required to provide services on holiday or closure days. The subcontractor shall factor cost savings resulting from the December shutdown into the base price of the subcontract.
- ☐/ SURA/Jefferson Lab may request a price adjustment for savings resulting from services not performed on weather or other emergency closure days.
- ☐/ The services to be provided on holiday or closure days are those specifically described in _____.
